*The starred items are required by law to be raised as determined by the proper authorities. The district determines the salaries of the district officers. The supervisory union board decides the local share of the superintendent's salary and other union expenses. The district's share of the superintendent's salary for 1952-53 was \$180.00. The other towns in the union contributed as follows: Gorham, \$2,196.00; Milan, \$468.00; Jefferson, \$432.00; Shelburne, \$180.00 and Randolph, \$144.00. The state's share was \$2,275.00. The state treasurer reports the amount of per capita tax. The retirement board assesses the amount for teachers' retirement.

Estimated income:

State Treasurer, Noon Lunch Program \$400.00. (This is an offset item under Special Activities and Special Funds where the estimated expenditure is \$400.00. It has no effect whatever on the amount to be raised by taxation.) Any State Aid allotted or any balance remaining on June 30, 1954 will be deducted.

Report of Superintendent

To the Superintending School Committee and the Citizens of the
Dummer School District:

FOREWORD

Schools of all times have had a high regard for moral and spiritual values. It has always been an important objective of teachers to develop and strengthen them. There have been many periods of history in which these values have been corrupted. This is such a period.

Moral values have been shaken in our generation by two world wars, by a wasteful economic depression, by a resurgence of barbarism among supposedly civilized people and by the subordination of ideals to the technical and material achievements of a machine age.

Teaching correct moral and spiritual values cannot be done by the schools alone. This area of education extends outside the classroom and the accomplishment of its objectives waits upon the cooperation of school, home, church, and community.

These, our greatest values, can best be taught through the combined efforts of an honest government, a vital church, a stable home, schools staffed with conscientious teachers and a community that cares. Moral and spiritual values develop out of total experience.

TEACHERS

Ruth Croteau was employed to replace Bessie Stiles at the West Dummer School. Florence Hamlin returned as teacher at the Willis School. Both teachers have had considerable previous teaching experience.

ENROLLMENT AND ATTENDANCE

There are, at this writing, 30 enrolled at the two schools. Of these, 13 are at West Dummer and 17 at the Willis. The total enrollment is two less than last year.

The percentage of attendance at the Willis School was 97.19. The West Dummer School was slightly lower with 96.72. There were no cases of tardiness in the two schools during the past year. This is a most commendable record.

BUILDINGS AND EQUIPMENT

The two school houses are for the most part in good condition. During the summer, the usual thorough summer cleaning, repairs and replacements were made. Probably the painting of the outside of the Willis School was the largest single item.

SCHOOL CALENDAR

It has been proposed that the School Board adopt the following school calendar for 1954-55.

First Term (72 days)

September 7, Tuesday, School Opens
November 24, Wednesday, Closing 12:30
November 25, 26, Thanksgiving Recess
December 17, Friday, School Closes

Second Term (35 days)

January 3, Monday, School Opens
February 18, Friday, School Closes

Third Term (39 days)

February 28, Monday, School Opens
April 8, Good Friday, Closed
April 22, Friday, School Closes

Fourth Term (34 days)

May 2, Monday, School Opens
May 30, Memorial Day, School Closes
June 17, Friday, School Closes

SCHOOL YEAR, 180 DAYS.

TUITION

There are, at this writing, 9 attending high school at Berlin and 1 at Gould Academy. There are four seniors and so with four in grade 8 we expect the number will remain approximately the same for 1954-55. The high school tuition rate for 1953-54 is \$250.00 per pupil.

TRANSPORTATION

Dummer has a fairly heavy transportation load for a small town. Donald Hodgdon is transporting high school pupils to Berlin as well as the elementary group from the Pontook area to

West Dummer. Fred Bradford is the transporter at the Willis School. Mary Gallant transports from the Paris Manufacturing Company to the West Dummer School.

NOTES ON THE BUDGET

The school board's total budget for 1954-55 is \$15,107.00 as compared with \$15,145.00 for 1953-54. The total budget is \$38.00 less than the one for last year.

The amount to be raised by taxation will be reduced by the amount estimated to be received from the Federal Noon Lunch Program, by any State Aid funds allotted to the district and by any balance remaining on June 30, 1954.

CONCLUSION

It is the purpose of school to do everything possible to help train our boys and girls to become active, reliable, self-supporting citizens in a democracy.

I wish to take this opportunity to express my appreciation to the members of the School Board, parents, teachers and friends for the interest that they have shown in the schools and for their loyal cooperation during the past year.

Respectfully submitted,

ALBERT P. KNIGHTLY,
Superintendent of Schools.
